

Would you be holy? Would you become a new creature? Then you must *begin with Christ*. You will do just nothing at all, and make no progress till you feel your sin and weakness, and flee to Him. He is the root and beginning of all holiness, and the way to be holy is to come to Him by faith and be joined to Him. Christ is not wisdom and righteousness only to His people, but sanctification also. Men sometimes try to make themselves holy first of all, and sad work they make of it. They toil and labour, and turn over new leaves, and make many changes; and yet, like the woman with the issue of blood, before she came to Christ, they feel “nothing bettered, but rather worse” (Mark 5:26). They run in vain, and labour in vain; and little wonder, for they are beginning at the wrong end. They are building up a wall of sand; their work runs down as fast as they throw it up. They are baling water out of a leaky vessel; the leak gains on them, not they on the leak. Other foundation of “holiness” can no man lay than that which Paul laid, even Christ Jesus...

HOLINESS

The Real Retreat

camp burton 

APRIL 18 + 19

J. C. Ryle

1816-1900

1st Anglican Bishop
of Liverpool

The theme for the Real Retreat this year is *Holiness*. In attending you will be introduced to J.C. Ryle who wrote an essay on this subject that has stood the test of time in the Christian church. His words are written in the distant past but have striking relevance for the Christian who is serious about loving and living for Jesus Christ. He addresses hard and trying subjects: the power and depth of indwelling sin, the necessity of a holy life, the struggle and fight of faith, and the cost of following Jesus.

The cost is \$60 and includes transportation, lodging, a book, snacks and four meals.

Registration must be received by April 13th. There are only 40 spots available so sign up now!

Be at the Warehouse at 6:15p on Friday, April 18 where we will enjoy a meal together before leaving for Camp Burton. We will return to the Warehouse on Saturday, April 19 at 6:30p.

Bring Bible, sleeping bag, pillow, flashlight, toiletries and warm clothes.

What is the Real Retreat? We like to think of it as almost an anti-retreat. That means that there are not a lot of games. This is a more serious time for the student who is interested in growing in his relationship with Jesus Christ.
