## **Student Leader Profile:**

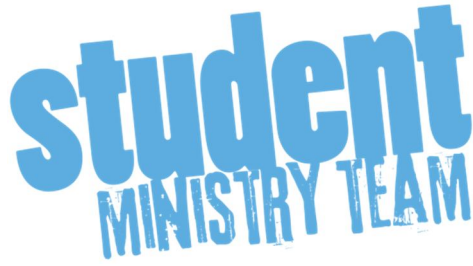

At the most basic level, we are looking for students who are willing to invest themselves in the lives of other high school students for the sake of the Gospel (1 Thess. 2:8). The SMT exists to make a spiritual difference in the lives of other students by strengthening believers in their faith and exposing unbelievers to Jesus. This involves:

- a. Individual spiritual preparation, growing in your own relationship with Christ that you might lead and set an example for others
- b. Faithful participation in a Student Life Group, Student Impact, Student Body, Parkside Church, SMT meetings, and retreats & activities, that you might have the opportunity to learn and build relationships with your peers
- c. Faithful participation in at least one school or extracurricular activity, that you might have the opportunity to connect with unbelievers
- d. Service to the ministry, involving planning, set-up, clean-up, tear down and help
- e. A teachable attitude that is willing to learn together about how best to minister to your peers

## **Time Commitment:**

Student Ministry Team members are asked to make a significant time commitment, but the rewards of faithful involvement are immense. Being an SMT Leader involves:

- a. Student Impact: 6:45pm – 9:15pm on Thursdays
- b. Student Body: 9:45am – 11:00am on Sundays
- c. Student Life: twice a month on the 1<sup>st</sup> Monday and 3<sup>rd</sup> Thursday
- d. Student Ministry Team Meeting: once a month
- e. One event/retreat a month
